By train:

From the underground level of Düsseldorf main station (Hauptbahnhof), take the U-Bahn (subway) line 78 towards Messe/Stadion or line 79 towards Kaiserswerth/Duisburg. Get off 2 stations later at Steinstraße/Königsallee, and take the exit „Graf-Adolf-Straße/Berliner Allee“. Our office is directly behind Autohaus Moll (a car showroom), about 300 metres further on, on the right.

By car:

From the south (Köln/Wuppertal)
Take the A 46 until the „Zentrum/Universität“ exit and keep following the signs towards „Zentrum“ and „Messe/Stadion“. When the road forks in the city centre, keep on following the signs towards „Messe/Stadion“ and bear left.

You are now in Berliner Allee. After a few metres you can turn right into the Kaufhof multi-storey car park. Our office is about 100m to the north on the other side of the road.

From the north (Essen/Duisburg)

Take the A 52 until the „Düsseldorf-Nord“ junction and then take the A44 towards the airport. Leave the A44 at the „Düsseldorf-Stockum“ exit and turn left immediately after the exit. Follow the main road until the first set of traffic lights. Turn left and keep straight on. Near the Thyssen building take Hochstraße, which leads towards Hauptbahnhof/Zentrum (main station/city centre). Once in Hochstraße bear right towards the city centre (Zentrum).

Further along the road, follow the parking signs to the „Parkhaus Moll“, a multi-storey car park. On leaving the car park, go left across the entrance ramp to Berliner Allee. Our office is a few metres further on, on the right.

We wish you a pleasant journey and look forward to welcoming you to our office.
